

## Galatians 1:1-10

**One Point: Every believer should know and own the Gospel for himself.**

1. What's your favorite breakfast food?

---

**Read v. 1-5**

2. On a scale of 1 to 10, how would you rate your own understanding of the Gospel? Explain why.

3. What's the significance of Jesus' sacrifice being "planned" by God?

---

**Read v. 6-10**

4. What are some reasons that people may turn away from God? What other things could people turn to?

5. How does a "counterfeit Gospel" affect the ministry of the church?

6. What are the benefits of being around people who share similar convictions about the Gospel?

7. Reread verse 10. Why is it so tempting to be a people pleaser? What are the consequences of living for the approval of people?

8. What makes sharing the Gospel so challenging? What makes it worth doing?

9. Who can you share the Gospel with this summer?

---

**Speaker's Notes and Application:**

The enemy will always find ways to use man to pervert, or compromise the Gospel; however, our mission is to preach, proclaim, and practice what's real. When we live the authentic Gospel, the counterfeit is easily exposed.

- Know and Own the Gospel for yourself
- Surround yourself with others who share your convictions
- Share the Gospel every chance you get
