One Point: God gets it

1. If you could be any superhero who would you be and why?

### Read v. 1-2

1. How Does God understand the temptation we go through? (Matthew 4:1-11)
  2. When we mess up how does God look at us? (Romans 6:14)
  3. What stands out to you about the way John described Jesus in this section? How can a holy God uphold justice and still forgive?
- 

### Read v. 3-6

1. John says that if we know God we obey his commandments. Why would we obey his commandments? To make him love us more? So we can be a better person? Or we do it because we love God? You change for the people you love.
  2. If we do not follow Gods commands are we really following Jesus? What two commands did Jesus give? (Matthew 22:37-40)
  3. What does it mean when John says that if we obey Gods words it shows how completely we love him?
  4. How did Jesus love people? (Matthew 9:9-13) How can we emulate this life? And why is this important? (John 13:35)
  5. How does it make you feel when you hear "God gets it?"

### What I will be talking about

When we mess up God gets it. God still loves us and we live in a constant state of being under grace because when we give our lives to Jesus, that is all God sees. He no longer sees our failures, he just sees his perfect son. But when we are saved we are called to do something with the new life that has been given to us. We change for the people we love and when we fully love God we begin to model our lives after Jesus, not to make God love us more, but simply because we want to. Even when we fail to do that God gets it and still loves us.
